Off Center Teens is a 2-week, full-day camp where teens create an entire production based on their life experiences from scratch!

Each summer, the participants take the stage and transform their autobiographical writing into powerful and personal public performances.

Off Center Teens is led by Megan Tabague and Patrick Shaw, and enhanced by guest faculty and visiting artists Vincent Tomasino, Alexa Capareda, Jenny Arffmann, and Travis Tate. The performance is directed by Rude Mechs Co-Producing Artistic Director Madge Darlington.

Off Center Teens is a program of Rude Mechanicals - A Theatre Collective and is funded in part by a grant from the Texas Commission on the Arts. Rude Mechs is supported in part by the Cultural Arts Division of the City of Austin Economic Development Department.
